

Part I: Establishing a Baseline

Why do we make resolutions?

We suffer from “ -ER ” syndrome

Our resolutions reveal our belief in PURPOSE

The weakness of our resolutions is revealed when we realize

that our TRY is not as important as our WHY

Elements of Calibration:

1. Define an objective STANDARD

2. Compare to an IDEAL

3. Make the necessary ADJUSTMENTS

How to re-calibrate in 2019

1. Make your standard **GOD'S GLORY**

Whatever you do, do it all for the glory of God.

- 1 Corinthians 10:31 NIV

“You are worthy, our Lord and God, to receive glory and honor and power, for you created all things, and by your will they were created and have their being.”

- Revelation 4:11 (NIV)

2. Measure yourself against **JESUS**

God once said, “Let the light shine out of the darkness!” This is the same God who made his light shine in our hearts by letting us know the glory of God that is in the face of Christ.

- 2 Corinthians 4:6 (NCV)

All have sinned and fall short of the glory of God

- Romans 3:23 (NIV)

3. Move yourself into **ALIGNMENT**

And we all...are being transformed into his image with ever-increasing glory, which comes from the Lord, who is the Spirit.

- 2 Corinthians 3:18 NIV
